

♡ Zoey ♡

Hi I'm Zoey, a stunning 10 year old lab mix who came here as a stray. I'm an amazing girl. I was very nervous when I first got here, but look at me shine now! I love to run and play—I have tons of energy! I enjoy walks, I am perfectly housebroken, I know how to sit, and I love to get treats. Leaning into you for snuggles is one of my signature moves, and I'll do it every time if you hook me up with a back scratch or massage! I'm polite, playful, and tons of fun. I will make a great best friend!
