Directions to the on-line **GIS Special Flood Hazard Area Map**
web address: <http://ocgis1.ocfl.net>

1. Click on the "FIND" drop down menu box.
2. Type in parcel ID number or street address
3. Under "Map Layers" select "Water Way's" folder
4. Click on "Special Flood Hazard Area" folder only. If light blue shows up on any section of the parcel, it would be considered in a floodzone.
