

*Ruby!*

**Hello! My name is Ruby and I'm a 4-year-old female kitty. I'm a super laid back cat who really enjoys lounging around and being petted. I'm well behaved and know how to use a litter box and a scratching post. If you're looking for a calm and loving lap cat then look no further, I'm your girl! I've been spayed, vaccinated and microchipped so I'm ready to go home with you today. Please adopt me!**
