

Avalon Road (CR545) Town Center West PRELIMINARY DESIGN STUDY

Newsletter Volume 1

Orange County Transportation Planning Division is conducting a Preliminary Design Study (PDS) to evaluate the addition of travel lanes to the existing two-lane sections of CR545 (Avalon Road) from Schofield Road to McKinney Road, a distance of approximately 1.8 miles.

The PDS is Orange County's detailed project development process used to evaluate potential roadway improvement options and address anticipated mobility needs of the corridor. In addition, the study will assess both social and environmental impacts associated with the planned road improvement. The proposed improvements are intended to enhance traffic flow and safety in the area.

PUBLIC MEETING SCHEDULED

We value your input and invite you to attend a Community Meeting scheduled for **Tuesday, July 19, 2022, at Bridgewater Middle School, located at 5600 Tiny Road, Winter Garden, FL from 6 to 7p.m.**

An open house will be held from 5:45 to 6 p.m. The meeting will begin with a formal presentation at 6 p.m. followed by a question-and-answer forum. Orange County staff and members of the Study Team will be available to discuss the project and answer questions.

The meeting is being conducted to present the preferred alternative roadway improvement. This meeting will give you the opportunity to provide input and express your interests and concerns regarding the roadway improvements.

Facial covering is optional for all persons per Orange County Public School facility rental information.

WAYS TO STAY INFORMED

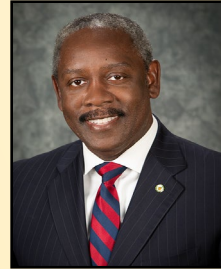

A key component of this study is feedback from the public. The County will host one community meeting to exchange information and obtain feedback from stakeholders and the general public in regards to the preferred alignment and drainage alternatives for this project. Additional newsletter notifications will be issued prior to the LPA and BCC Hearings.

Upcoming meeting schedule:

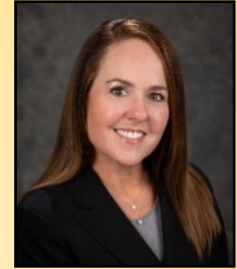

Community Meeting – July 19, 2022.
