International Drive Widening Project Begins

Orange County has initiated a preliminary engineering study to evaluate the potential widening of International Drive between Westwood Boulevard and Westwood Boulevard. The study will evaluate widening the existing four-lane facility to six lanes with sidewalks and turn lanes. The project is addressing roadway widening, drainage requirements, existing and future traffic volumes, pedestrian and bicycle facilities, lighting and safety improvements.

Public Meeting Scheduled

To ensure your input is considered in the development and evaluation of the proposed improvements, we invite you to attend a Public Information Meeting scheduled from 5:30 pm to 7:00 pm on Thursday, February 26, 2008. The meeting will be held at the offices of Downtown Orange County at 9888 Universal Boulevard, Orlando, Florida 32819. Directions to Downtown Orange County can be found at www.orangecountyfl.net/cms/DEPT/doc/default.htm. An Open House will be held starting at 5:30 pm, a formal presentation will be made starting at 6:00 pm and a question and answer session will follow the formal presentation. Orange County staff and members of the study team will be available to discuss the project. Aerial maps depicting the proposed improvements and other project information will be available at the meeting for your review and comment. You are encouraged to attend the meeting and provide information and input concerning the proposed improvements to International Drive.
