

POOL FILL ADJUSTMENT REQUEST FORM

General Guidelines

Effective May 8, 2012, the Orange County Board of County Commissioners approved Resolution No. 2012-M-11 titled, "Billing Adjustments For Excessive Water Consumption," which states in part that all customers with 5/8 x 3/4 inch meters and all residential customers regardless of meter size who experience unusually high water usage with a corresponding spike in their monthly water bill may be considered for a billing adjustment after completing this form within 60 days of the date of the unusually high consumption, submittal of the requested documentation described below and investigation and verification by Orange County Utilities staff. Please complete this form in its entirety and return to Orange County Utilities for processing.

Pool Fill Guidelines

- Adjustment is available no more than once annually.
 - Adjustment is available only for wastewater portion of the bill.
 - The customer's prior 12-month average usage will be used to calculate the wastewater charges for the high water bill month in question.
 - No adjustment is available for water charges and applicable tiered rate structure shall apply.
 - **Customer must submit a copy of the repair invoice/payment receipt from company performing the pool work that requires pool fill. The repair invoice/payment receipt should include the address of the pool location, the date of the repair, the pool dimensions, and the date and amount of water used to fill the pool.**
- 1) All customers requesting a billing adjustment in accordance with these guidelines are required to pay their bill in full or make payment arrangements while this form is being processed.
 - 2) For customers with less than 12-months water usage, Utilities staff will estimate 12 months of usage.
