## COMMUNITY MEETING NOTICE

### Septic to Sewer Project

Orange County Utilities will be constructing a new gravity sewer collection system in the Wekiwa Manor neighborhood. The project will include connecting individual residences to the sewer main, abandoning existing septic tanks, landscaping and site restoration, resurfacing roadways (materials to match existing), and installing new irrigation service connections with a meter at each residence.

On or about February 29, 2024, a ballot will be sent via U.S. Mail to your address. You will use this ballot to vote on the septic to sewer initiative for your community. Previous ballots or voting were used to gauge interest in the project. This ballot is required in order to proceed with the project and authorize the establishment of a Municipal Service Benefit Unit (MSBU).

**A community meeting concerning this project is scheduled as follows:**

**Date:** Tuesday, January 30, 2024  
**Time:** 6:30 p.m.  
**Location:** Clay Springs Elementary School Cafeteria  
555 North Wekiwa Springs Road  
Apopka, FL 32712  
(Map attached)

You are encouraged to attend this meeting where Orange County Utilities staff will present updated project information, review the ballot language, and answer any questions. You must return the ballot via U.S. Mail by the postmark deadline.

If you have any questions or need additional information, please contact the Orange County Utilities representative listed below. In accordance with the Americans with Disabilities Act (ADA), if any person with a disability as defined by the ADA needs special accommodation to participate in this proceeding, then not later than two (2) business days prior to the proceeding, he or she should contact:
