II. Professional Engineer Registered in Florida:

This is to certify that the engineering features of this solid waste management facility have
been designed / examined by me and found to conform to engineering principals applicable
to such facilities. In my professional judgment, this facility, when properly maintained and
operated, will comply with all applicable parts of the Orange County Code, State of Florida
Statutes, and rules and regulations of the Environmental Protection Division. It is agreed that
the undersigned will provide the applicant with a set of instructions of proper maintenance
and operation of the facility.
