

Orlo Vista Flood Mitigation

Project Update

Orange County
Public Works Department

District 6 Commissioner
Mike Scott

December 2022

Greetings Orlo Vista and Westside Manor residents,

As a follow-up to our commitment during our public meeting on November 15, 2022, Orange County Public Works is pleased to present our first monthly newsletter which provides you with important information about the flood mitigation project as we enter Phase II. In addition to this December newsletter, our team has also created a web page where Orlo Vista and Westside Manor residents can review meeting presentations, FAQs, and past newsletters:

<https://www.orangecountyfl.net/OrloVistaWestsideManor>

If you have any questions, please call: **Orange County Public Works • 407-836-7900**

KEY PROJECT UPDATES

- ▶ The construction contract between Orange County and Thalle Construction Company, Inc. was submitted and approved by the Orange County Board of County Commissioners at its November 29, 2022 meeting. A meeting was then held with Thalle Construction Company, Inc. to facilitate the start of construction.
- ▶ Orange County is coordinating with Florida Division of Emergency Management (FDEM) regarding the budget increase amendment agreement that was approved by FEMA.
- ▶ Orange County is finalizing the Environmental Assessment (EA) for the Florida Department of Economic Opportunity's (DEO's) review and approval. The EA is scheduled to be submitted to DEO in January 2023.
- ▶ Construction is anticipated to start the first quarter of 2023.
