S. Econlockhatchee Trail Roadway Conceptual Analysis

District 3
Commissioner
Mayra Uribe

Notice of 1st Public Meeting

Issue #1

Thursday, October 29, 2026, 6 p.m.

Please join District 3 Commissioner Mayra Uribe, Orange County Staff and your neighbors for a community meeting to discuss the results of a Roadway Conceptual Analysis (RCA) Study of South Econlockhatchee Trail. The meeting will be in person on Thursday, October 29 at 6 p.m.

The Orange County Transportation Planning Division is conducting a Roadway Conceptual Analysis (RCA) study to evaluate multimodal improvements to the existing section of South Econlockhatchee Trail from Curry Ford Road to Lake Underhill Road — a length of approximately two (2) miles.

In addition, the study will assess both social and environmental impacts associated with proposed roadway improvements. These improvements are intended to enhance traffic flow and safety for all road users in the area. By the end of the study, a final preferred alternative will be presented that incorporates public input with technical evaluations assessing the net benefits of the improvements.

You are invited to participate in a community meeting for the South Econlockhatchee Trail RCA study scheduled for **Thursday, October 29, 2026, which will be held at Center Pointe Community Church, 9580 Curry Ford Rd, Orlando, FL, 32825.** The meeting will begin with an open house at 6 p.m., followed by a formal presentation and a question-and-answer forum. Maps and displays depicting project information will be available for public review and comment.

Project representatives will also be present to discuss the study and answer any questions. We encourage you to share your interests and concerns regarding potential improvements to South Econlockhatchee Trail.

If you have questions regarding this community meeting, please contact:

Carrie Hamblin, AICP, MSURP | Project Manager | Public Works | Transportation Planning Division | 407-836-8014 | carrie.hamblin@ocfl.net
