COMMUNITY MEETING NOTICE

Septic to Sewer Project

Orange County Utilities will be constructing a new gravity sewer collection system in Rolling Oaks, Carlton Woods, and Carlton Oaks, and two associated wastewater pump stations and transmission mains. The project will also include connecting individual residences to the sewer main, abandoning existing septic tanks, landscaping and site restoration, resurfacing roadways (materials to match existing), and installing new irrigation service connections with a meter at each residence. Community disruption during this project may include temporary road closures and excavation and restoration of grassed areas, driveways, and sidewalks. Construction is anticipated to begin in late 2025.

A community meeting concerning this project is scheduled as follows:

Date: Monday, November 3, 2025
Time: 6:30 p.m. (doors will open at 6:00 p.m.)
Location: Clay Springs Elementary School Cafeteria
555 North Wekiwa Springs Road, Apopka, FL 32712
(Map attached)

You are encouraged to attend this meeting where Orange County Utilities representatives will present a brief overview of the project, discuss the construction schedule, and answer any questions.

If you have any questions or need additional information, please contact the Orange County Utilities representative listed below.

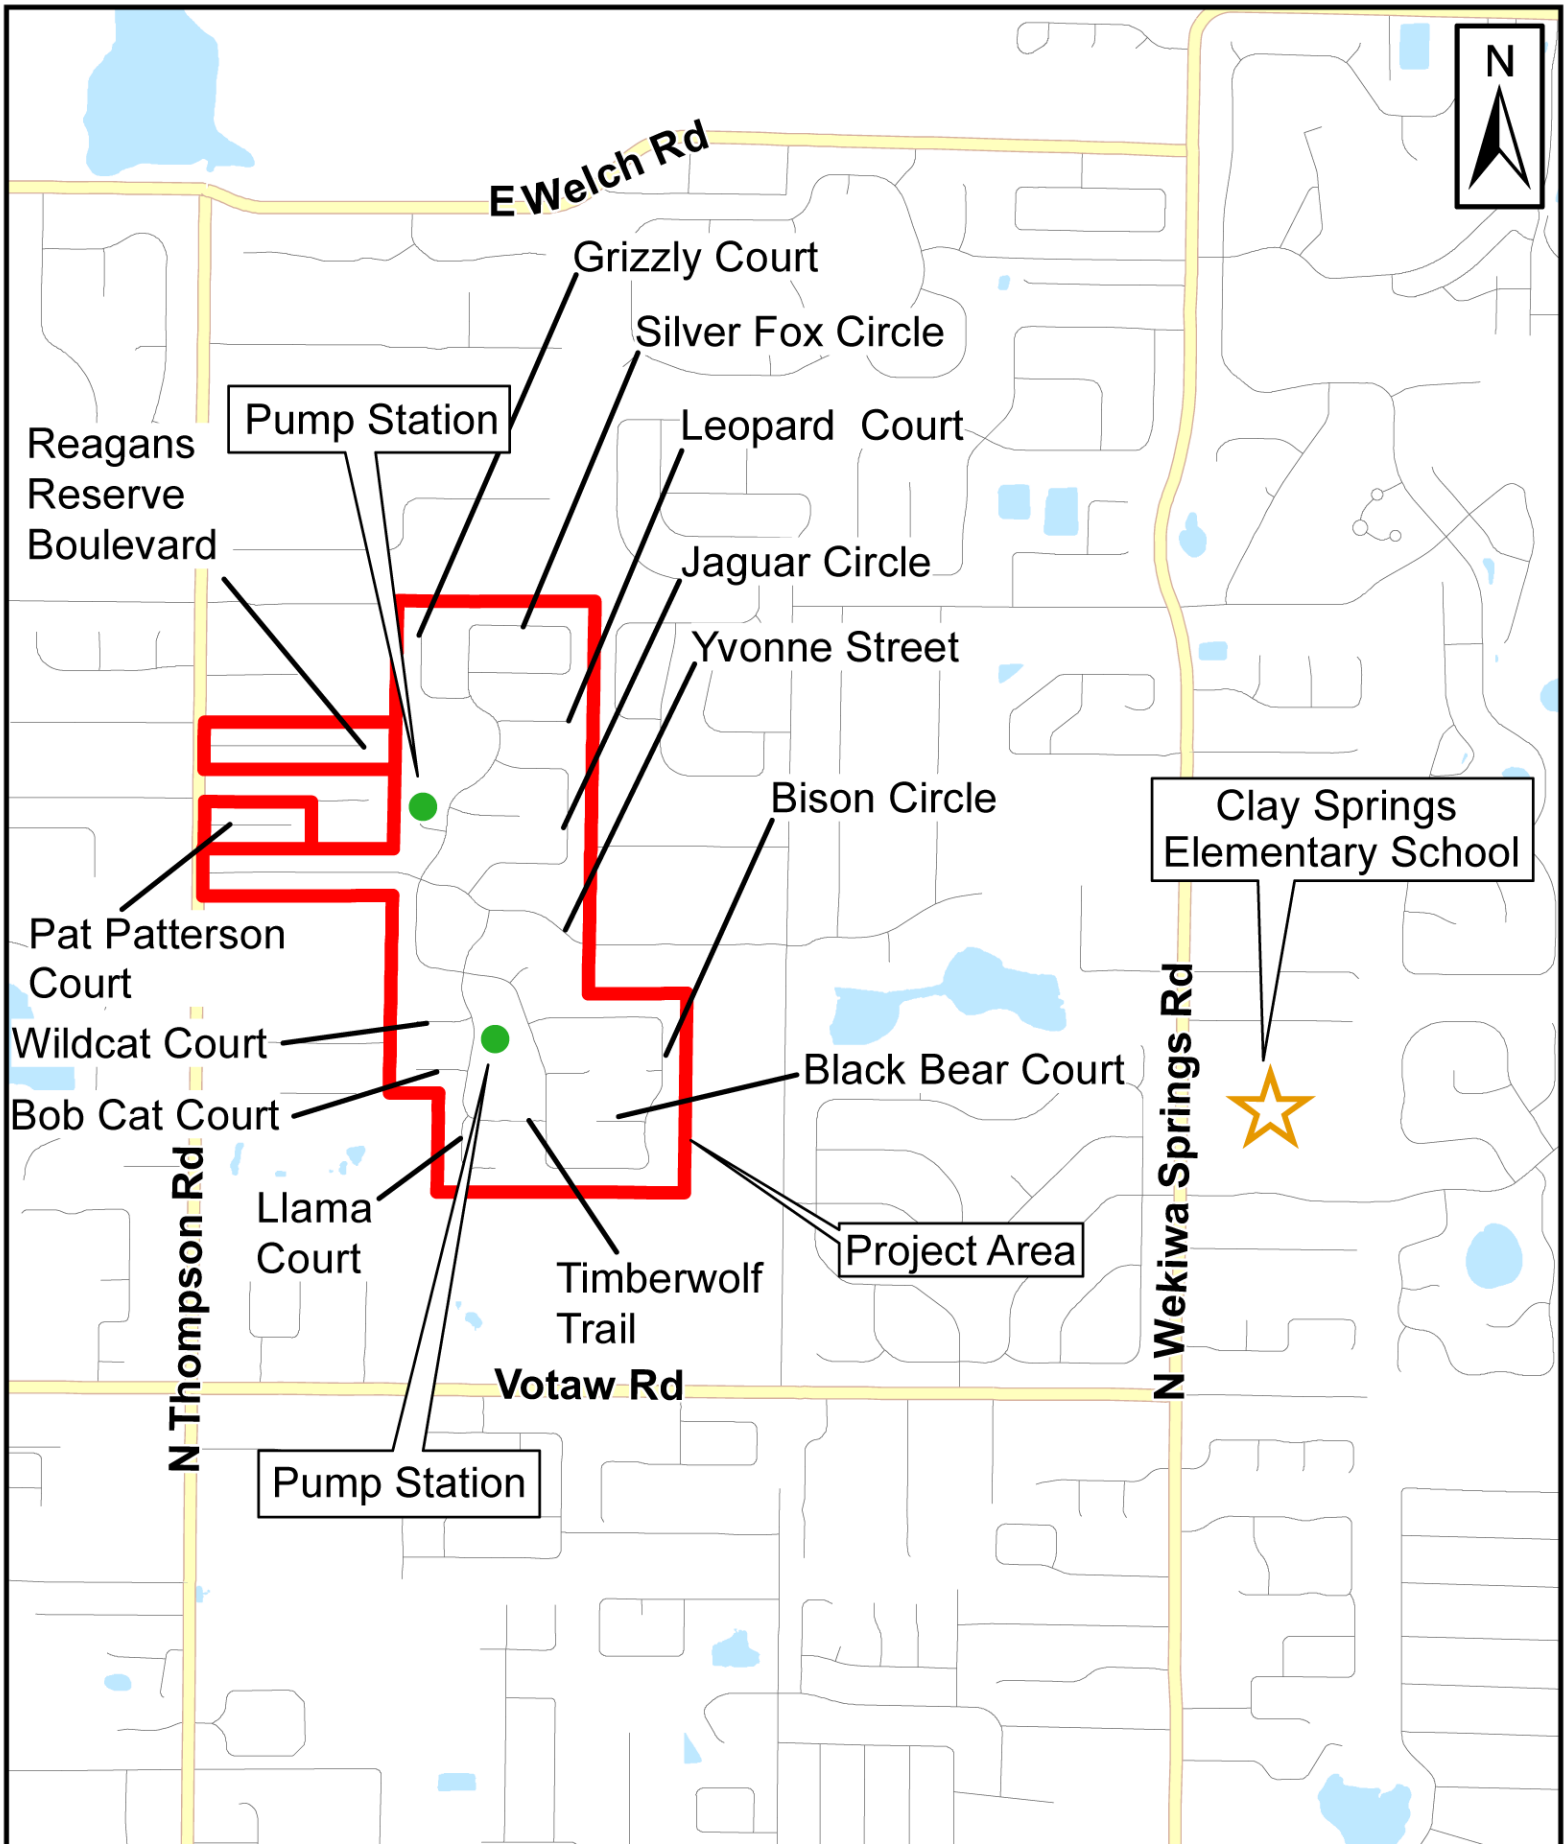

In accordance with the Americans with Disabilities Act (ADA), if any person with a disability as defined by the ADA needs special accommodation to participate in this proceeding, then not later than two (2) business days prior to the proceeding, he or she should contact:
