COMMUNITY MEETING NOTICE

Septic to Sewer Project

Orange County Utilities will be constructing a new gravity sewer collection system in Palms III and Palms IV, and an associated wastewater pump station and transmission main. The project will also include connecting individual residences to the sewer main, abandoning existing septic tanks, landscaping and site restoration, resurfacing roadways (materials to match existing), and installing new irrigation service connections with a meter at each residence. Community disruption during this project may include temporary road closures and excavation and restoration of grassed areas, driveways, and sidewalks. Construction is anticipated to begin on December 12, 2023.

A community meeting concerning this project is scheduled as follows:

Date: Tuesday, December 5, 2023
Time: 6:30 p.m.
Location: Clay Springs Elementary School Cafeteria
555 North Wekiwa Springs Road
Apopka, FL 32712
(Map attached)

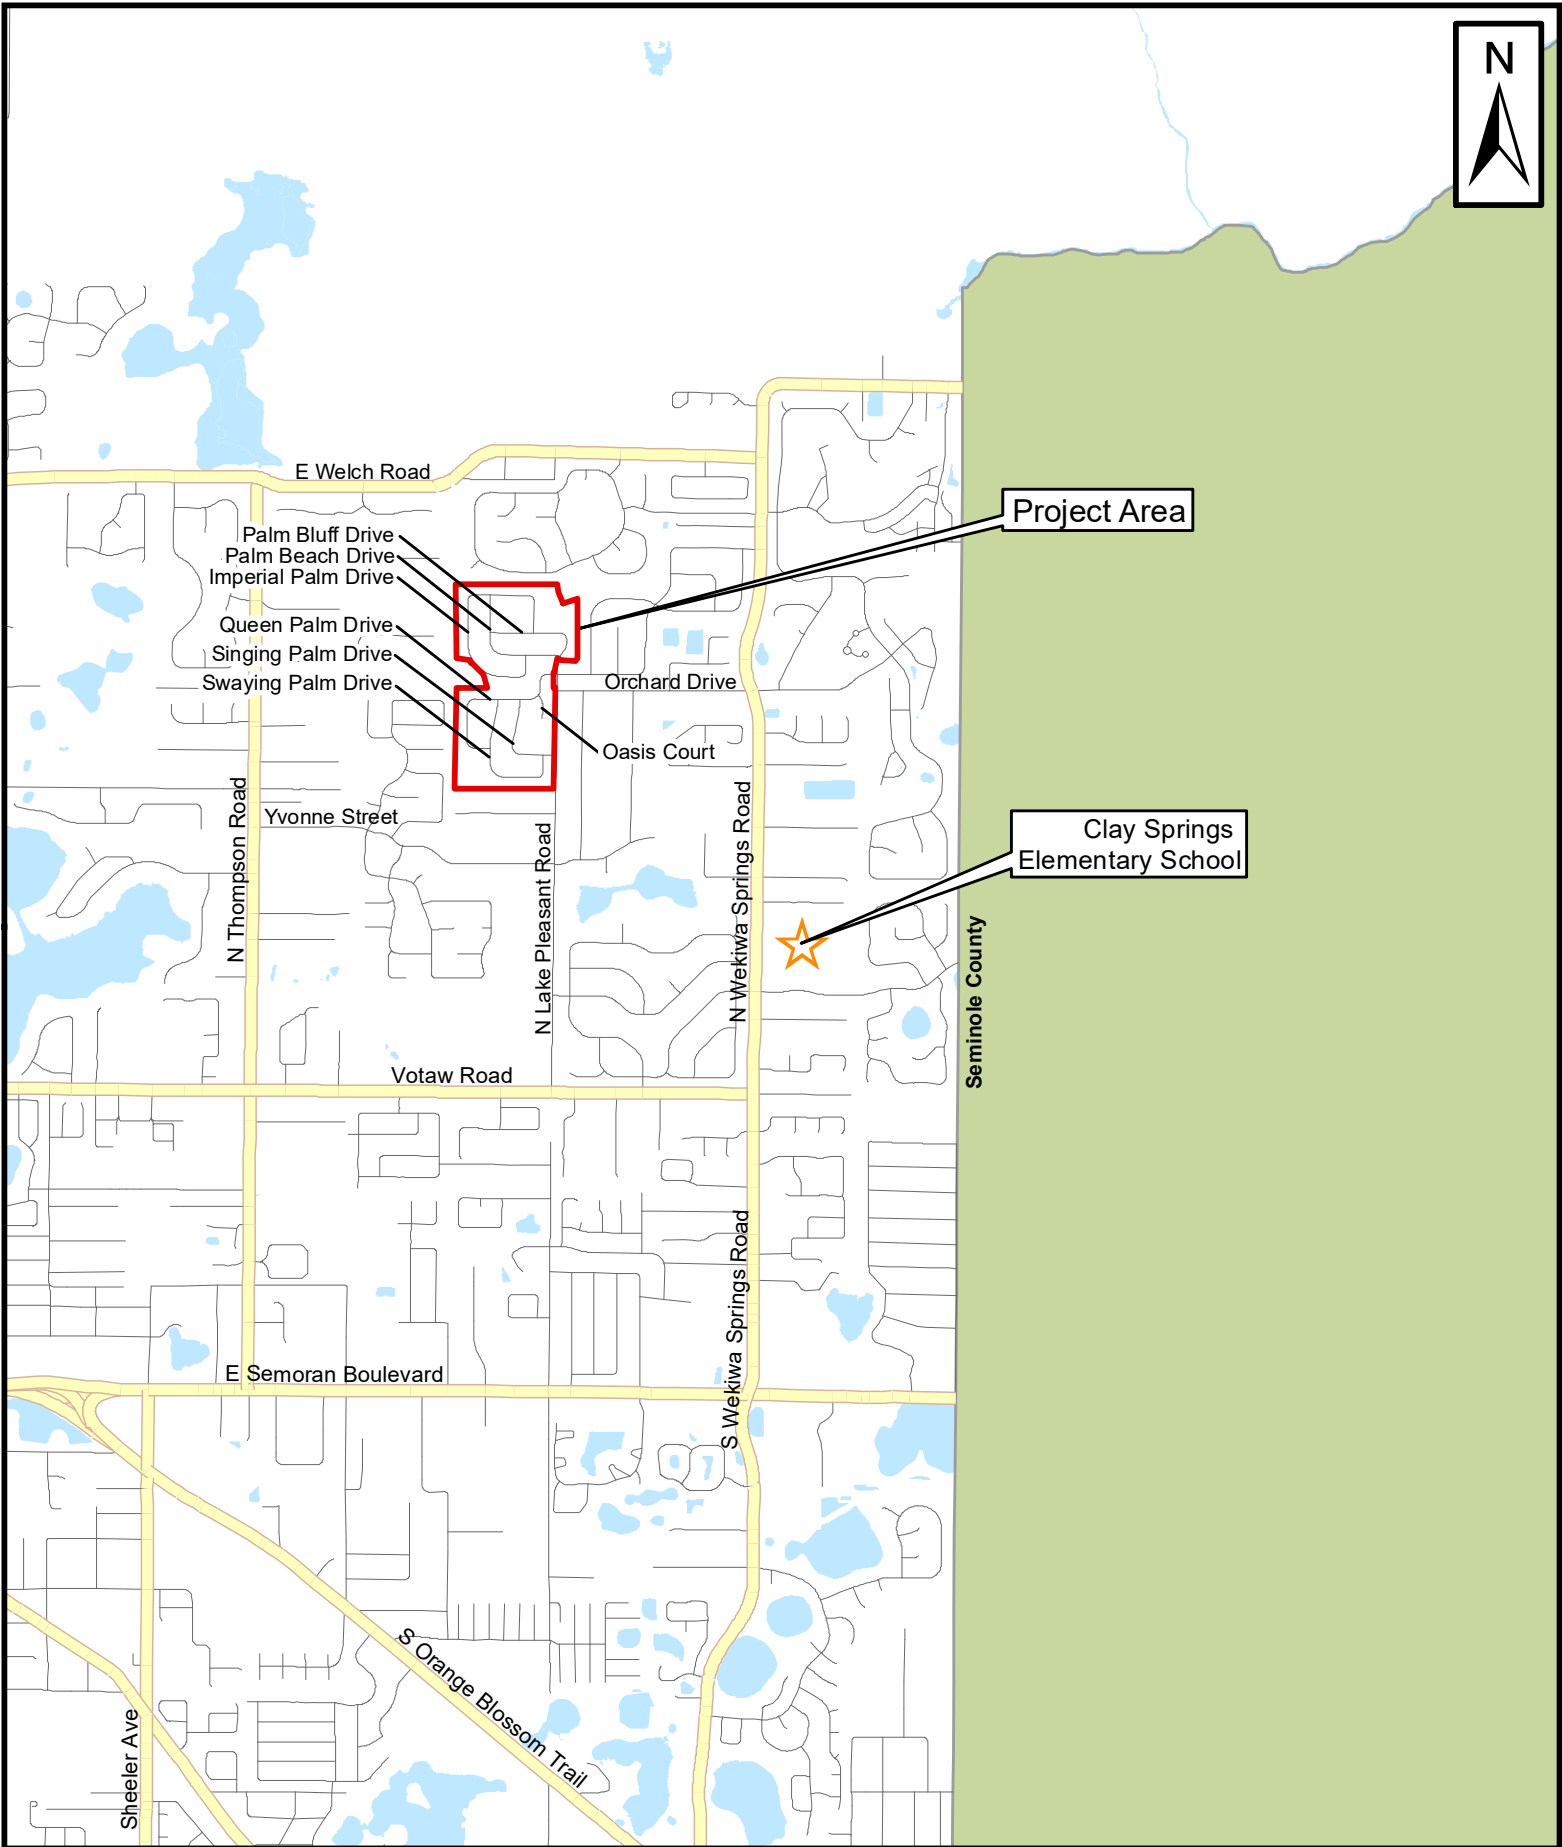

You are encouraged to attend this meeting where Orange County Utilities representatives will present a brief overview of the project, discuss the construction schedule, and answer any questions.

If you have any questions or need additional information, please contact the Orange County Utilities representative listed below.
