

EEO Utilization Report

Organization Information

Name: Orange County Board Of County Commissioners

City: Orlando

State: FL

Zip: 32801

Type: County/Municipal Government (not law enforcement)

Step 1: Introductory Information

Policy Statement:

Orange County provides equal opportunity in employment to all employees and applicants for employment. The opportunity provided is consistent with the rights and obligations under applicable federal and state law, no person will be discriminated against in employment because of race, religion, color, sex, age, national origin, disability, veteran or marital status.

This policy applies to all terms, conditions and privileges of employment including, but not limited to, hiring, probationary period, training, placement and employee development, promotion, transfer, compensation, benefits, educational assistance, layoff and recall, social and recreational programs, employee facilities, termination and retirement.

Step 4b: Narrative of Interpretation

The Orange County Human Resources Division has conducted an analysis of the workforce to determine which areas have underutilization and which areas have shown improvement.

1. White females are underrepresented in a number of areas. The most significant underutilization is in the Official/Administrators -13%. There was a 1% improvement in Official/Administrator since the last report. There is underutilization in Professionals -9%, Protective Services Sworn -6%, Protective Services Non-sworn -12% and Service/Maintenance -7%. Previously, Professional was -7%, Protective Services Sworn -4% and Non-Sworn 0%. The Service Maintenance category remains the same.
2. White males are underrepresented in three categories. The most significant being Protective Services Non-Sworn at -24%, Professionals -14% and Administrative Support -16%. There has not been improvement these categories since the last report.
3. Hispanic or Latino females are significantly underrepresented in two categories: Service Maintenance -9% and -6% in Protective Services Non-sworn.
4. Hispanic or Latino males are underrepresented in two categories Skilled Crafts -12% and Service/Maintenance -7%. The Skilled Crafts remains the same from the last report. There has been improvement in Protective Services Non-sworn from -12% to -3%, Service Maintenance from -8% to -7% and Administrative Support from -5% to -4%.

Other areas show underutilization ranging between -1% to -3%. In the previous report range was -1% - 5%. Due to the number of employees in some of these areas, it is difficult to draw conclusions. These underutilizations included Asian males in the Professional and Protective Sworn categories, Asian females in Professional and Black females in the Technician and Service Maintenance categories.

There has been significant improvement in Hispanic male Protective Services Sworn from 5% to 13%. Black females in Protective Services Sworn from 6% to 18%.
