Interoffice Memorandum

TO: Mayor Jerry L. Demings  
-AND-  
County Commissioners

FROM: Kurt N. Petersen, Director, Office of Management and Budget *K.N.P.*

SUBJECT: Budget Amendments

The purpose of this memorandum is to provide you with information related to the scheduled public hearing for the budget amendment on January 23, 2024.

The purpose of the amendment package is to adjust the adopted budget for encumbrance rollovers (commitments of budgeted funds to purchase goods or services in FY 2022-23, but not received prior to October 1, 2023), grant rollovers/carryover funding, capital improvement program rebudget adjustments, and other necessary adjustments. In addition, the amendment is used to adjust the budget to reflect actual fund balance (also referred to as cash brought forward). You may recall from previous discussions, the basic formula for calculating estimated fund balance is:

Cash as of estimating date  
+ Estimated revenue through year end  
- Estimated expenditures through year end  
- Allowance for estimated encumbrance rollovers  
= Estimated fund balance

Changes in any of these factors result in excess or shortfall in fund balance. Examples of situations that may lead to differences in fund balance are: revenue received over/under amount estimated; timing fluctuations in capital projects that can increase or decrease actual expenditures; level of operating expenses impacted by various factors; and increases or decreases in encumbrance rollovers for items that were expected to be purchased in the new year.

The package includes the following amendments for your approval at the January 23, 2024 meeting:

Fund Balance Amendment #24-15 – Amends the adopted fund balance budget for the difference between actual and estimated fund balance with adjustments allocated between personal services, operating expenses, capital, and reserves.

Being requested as part of the Fund Balance Amendment are 13 new positions that include: six (6) positions under the Health Services Department to provide assistance with Animal Services additional feeding, which are two (2) Animal Services Officers and four (4) Animal Care Assistants; and seven (7) positions under the Planning, Environmental and Development Services Department to administer the CDBG Disaster Recovery Grant Fund, which are one (1) Project Manager, one (1) Assistant Project Manager, one (1) Program Manager, one (1) Administrative Specialist, one (1) Financial Advisor, one (1) Fiscal Officer and one (1) Senior Fiscal Coordinator .
