

Orange County Utilities GIS Data Request Form

Certain Geographic Information System (GIS) data is considered sensitive information by Orange County policy and is made available only by special request. Please note that any Orange County Utilities GIS data that is considered sensitive will not be distributed to the public. Distribution of utility data is in accordance with Florida Statutes Chapters 119.071 (3)(b)1 and 119.07(1), and The Constitution of the State of Florida Article 1, Section 24(a).

To initiate a request for data not publicly available on the County internet site, please complete this form and email it to UtilitiesGIS2@ocfl.net.

The requester is required to provide a File Transfer Protocol (FTP) site or portable media storage device (e.g., flash drive) to Orange County Utilities for a copy of the data.

Utilities GIS Disclaimer

Plans, GIS data, and map products are produced for Orange County Utilities purposes. No warranties, expressed or implied, are provided for the data herein, its use, or its interpretation. The maps are not legal land surveys and cannot be relied on for 100% completion or accuracy. Orange County Utilities is not responsible for incorrect information.

The locations of the Orange County Utilities facilities shown are approximate and must be verified by the engineer/surveyor/contractor prior to construction. The exact locations of the facilities are not guaranteed. Further, there could be additional facilities in this area not shown. For exact locations of utilities and field verification, contact Sunshine 811 by dialing 811 or 1-800-432-4770.

For more County utility information, please call the Orange County Utilities Customer Service Division at 407-836-5515 or 800-626-1140 (for customers outside of Orange County).

Para más información, por favor llame al Departamento de Servicios Públicos del Condado de Orange y pida hablar con un representante en español. El número de teléfono es 407-254-9903.
